## Preface

Here is the first line of the *Iliad* in various fonts available from the psgreek package, as installed in my computer.

That line of Homer appears in the TEX file as

```
M\^hnin >'aeidh je‘a phlhi'adew >aqill\^hoc.
```

Apparently 'CM' stands for Computer Modern, and 'R', 'SS', and 'TT' for roman, sanserif, and teletype.
